## 1. Particular instructions

### A) Who has to contract an insurance ?

As per the conditions of participation for exhibitors, the insurance of fire, lightning, explosions, forces of nature and liability is compulsory.

BEA Bern expo has contracted an insurance Policy with the Baloise Insurance Company in Basle. Based of that contract, your exhibition goods, stand material and equipment can be insured by sending this insurance application form to:

BEA Bern expo AG  
Mingerstrasse 6  
Postfach  
3000 Bern 22

**If no insurance application or renouncement of insurance is submitted, insurance is automatically activated, the full value of the sum insured for all insurances except for the liability insurance is CHF 10'000.-.**

### B) How does the insurance come into effect ?

The insurance cover becomes effective with the written acceptance (= insurance confirmation) of the insurance declaration, the premium will be charged on the invoice of the BEA bern expo AG.

## Conditions of insurance

### C) Extent of cover

#### Fire, lightning, explosion and forces of nature:

Obligatory insurance of the above mentioned risks for the exhibition goods, stand material and equipment.

#### Liability insurance:

Obligatory insurance covering the legal liability of the insured as an exhibitor arising out of the death or injury of any person (Personal injuries) or damage to property or animals (Material damages).

#### Transit- und exhibition insurance

Insurance of the exhibition goods, stand material and equipment against loss and damage (insurance against all risks excl. damages due to fire, lightning, explosion and forces of nature, however, during transit, losses due to elementary perils, fire and explosion are also covered).

the prescriptions of the clauses STV11b/1988 "new machinery, apparatus, instruments, furniture and vehicles", STV12b/1988 "used machinery, apparatus, instruments, and vehicles", STV13b/1988 "Used furniture" and STV14b/1988 "Goods of artistic or collector's value" are also applicable. Strike, disturbances and terrorism are covered as per clause STV8b/2003.

Livestock, personal effects, Watches or jewelery are not insured on the base of that contract, however they can be insured separately with the Baloise Insurance Company. The scope of insurance and premiums have to be agreed from case to case. Without any agreement these goods are not assured under that contract.

### D) Duration of insurance

The insurance begins when the goods arrive on the premises of the BEA Bern expo and ends when they leave these premises, unloading as well as loading are not insured.

Has the optional transport insurance been concluded, the insurance begins with the loading of the goods at the premises of the exhibitor and ends with the unloading after the transportation back to the exhibitor's domicile has taken place, in that case unloading and loading at the fair's premises are insured.

**Maximum duration of the insurance: 30 (thirty) days.**

### E) Modes of conveyance and packing

Any mode of conveyance approved by the authorities and suitable to the goods transported. Goods subject to wetting, rust and oxidation may not be forwarded in open vehicles. Breakable goods as well as liquids in fragile recipients must be packed suitably during transit.

### F) Replacement value

The replacement value corresponds to the purchase price.

### G) Notification of loss or damage

**Damages have to be notified immediately to BEA Bern expo to the attention of the Baloise Insurance Company.**

In case of loss or theft, the exhibitor has to require a Police inquiry and a Police report to the adress of the Insurer. In the event of a non compliance with this obligation the insurer shall not be liable for any indemnity.

The assured has to take all measures for the preservation or salvage of the goods and for minimizing the damage. Repairs shall only be started with the authorization of the Baloise Insurance Co.

All rights of recovery against third parties (e.g. forwarding company or carrier) who may be held responsible for the loss or damage shall be preserved.

Outwardly appararent loss or damage must be notified to the carrier in writing before delivery of the goods is taken, whenever loss or damage is presumed, valid reserves must be lodged within the period prescribed by law or contract.

The claim notification has to be made latest 14 days after the end of the exhibition.

In the event of a claim the assured has to justify the occured loss or damage with an inventory of the exhibition goods and stand-material.

### H) Deductibles
