Conditions of Participation in the Hanfwarenhaus

CannaTrade 2020 – May 15th-17th – BernExpo, Bern

Companies, **producing or distributing foodstuff, textiles, beauty care, building material and pet food**, which are interested in presenting their products at CannaTrade but do not like to exhibit themselves may use the full service of the common stand «Hanfwarenhaus (Warehousing for Hemp Products)».

The exhibition area of the «Hanfwarenhaus» is sponsored by CannaTrade.

The needed equipment (booth system, furniture, labelling and decoration), the sales staff as well as the booth builders will be provided by the group of «Hanfwarenhaus».

The «Hanfwarenhaus» will sell your products in commission, based on wholesale conditions, by its own and well skilled sales staff. The drawn profit shall finance the entire expenditures of the «Hanfwarenhaus».

Requirements:

a. Interested companies first have to register at CannaTrade as sub-exhibitor in the Hanfwarenhaus, booth #309 (www.cannatrade.ch/exhibitors)
   The total costs are SFr. 190.00 plus VAT, including the listing of your firm in the official fair catalogue, the online index as well as the Fair-App.

   The priced goods have to be delivered on Wednesday, 13th of May 2020, at least until 2:00 p.m. directly to the booth, #309, accompanied by the corresponding delivery notes and price labelled, as well with detailed product information for our sales staff.

b. The billing will be after the fair and products which could not be sold will be returned.

c. Promotion material may be presented within the booth of the «Hanfwarenhaus».
   For placing further advertisement (e.g. in the fair catalogue) please refer to CannaTrade. (www.cannatrade.ch/myct)

d. Foodstuff and drinks are easier to sell by means of degusting, free samples for direct consumption are therefore indispensable – please mark the tasting goods explicitly and provide for sufficient quantity.

e. No extra fix charges, you only have to pay the fees for the registration as sub-exhibitor.

Each exhibitor will be listed, with contact address as well as photos of the products, on our Facebook site https://www.facebook.com/Hanfwarenhaus/

For further details please refer to Marco Kuhn.
