

**CannaTrade 2022 – Press Release | 28.02.2022**

**CannaTrade 2022, 20 – 22 May 2022  
BernExpo, Bern, Switzerland**

After two years waiting because of Covid the CannaTrade returned home, back to its roots in May 2022. Originally planned to take place in the 'Old Festival Hall' (BernExpo Hall 4.1) where CannaTrade first took place 20 years ago, having twice been postponed due to Covid, CannaTrade has now been moved to the large and modern Hall 3.2. Hall 3.2 offers room for over 200 stands across an area of 7000 m<sup>2</sup>, allowing CannaTrade to return to its former size of the years 2004 – 2007.

Along the long side of Hall 3.2, the delivery ramp will be transformed into a 2000 m<sup>2</sup> Chill-out Area with the popular Hemp Food Festival. Food stands from all over the world along with bars and music invite guests to chill out and enjoy.

The highlights for visitors are certainly the Hemp Food Festival, the Swiss championship in joint rolling as well as the event program with various speeches on medicine, growing and politics. Business Visitors come together for meetings or just to relax in the Business-Lounge of CannaTrade. The exhibitors of CannaTrade will have the chance to win the popular CannAward, the selection of the best products out of 10 different categories. Also in 2022 the Swiss CBD producers will take part in the famous CannaSwissCup, the competition for the best CBD grass grown in 2021. Excitement is guaranteed!
